EPHRAIM SPLASH PAD

We hope you have heard about our efforts to fundraise for a splash pad which will, in essence, be a mini water park. It will be free to the public and will be a great asset to the City.

Construction will begin as soon as enough money has been raised to cover the construction costs, hopefully by June of this year; otherwise, we will have to wait until 2014.

We have a construction budget of \$175,000. \$100,000 has been raised through donations, fundraisers, and a Utah State grant; however, we still need to raise another \$75,000.

We invite you to help us raise the funds needed to create a lasting legacy for our families and community. Business contributions of \$2,000 or more will have individual decals of their business logo displayed on a splash pad water feature. Contributions of \$500 or more will be displayed on a list of donors at the splash pad.

Deposit donations in the Canyon View Splash Pad account at Zions Bank, or contact Ashley Thompson at (801) 367-5685. Canyon View Splash Pad is a 501(c)3 foundation making your contributions tax deductible.
