MEMORIAL DAY ACTIVITIES

FAMILY HISTORY HELP AVAILABLE

The Ephraim City Cemetery Board is offering hands-on help this Memorial Day Weekend.

Board member, Richard Carl- sen, will be at the cemetery Thursday through Monday to help you with

your search. He will have online access to the CIMs program, as well as hav-

ing hard cop- ies at both cemeteries of buri- als for your family search. Richard has been photo- graphing headstones and working on GPS coordinates and posting them online to

make it easier for families to locate their family plots. The Ephraim City website, www.ephraimcity.org, has extensive information to help you locate names and gravesites in both cemeteries.

VETERAN FLAGS

Flags will be placed on indi- vidual veteran graves on

Thursday, May 15th at 4 p.m. at the Park Ceme- tery. "These flags represent a person; a

person who put on a uniform and stood up for freedom. They just did it because it was the right thing to do." Quote from the American Legion.

We are looking for volunteers

to help with this worthy and solemn endeavor. Make it a family event, scout project or individual effort, rain or shine, because we know that our troops would fight for us rain or shine.

MEMORIAL DAY PROGRAM

A Memorial Day Program will be held at the Park Cemetery gazebo on Monday, May 26th at 10 a.m. The public is invit- ed to help us commemorate all the men and women who have died in military service.

ATV AND OHV REQUIREMENTS

◆ **Driver License Required.** Off-road vehicle operators 16 years and older are required to have a Utah driver license to

operate an OHV within city limits. A person without a valid driver license, must be within 100 feet of an adult who is at least 18 and has a valid driver li-

cense, while riding within city limits.

◆ **Registration.** All OHV's are required to be registered with the DMV and have the proper stickers displayed.

◆ **Road Designation.** OHV Operators with a valid Driver License, may drive on all city streets, except Main Street, Center Street, and 100 North. Those streets may be crossed to reach destinations.

◆ **Laws.** OHV operators are subject to Utah traffic and parking laws, not to exceed 15 MPH and shall drive to the far right side of the appropriate lane of traffic.

◆ **Noise.** There is a 165 decibel limit.

◆ **Helmet.** Any operator under the age of 18 is required to wear a helmet at all times.

◆ **Lights.** OHV's operated after dusk must be equipped with lighting equipment, including head lights, tail lights, and brake lights.

◆ **Work Purposes.** Operators without a valid driver license wishing to use an OHV for alternate transportation for work purposes must obtain an Ephraim OHV Work Permit at the Police Department.
