## Main Street Signs

Soon the first phases of the Ephraim City Main Street Beautification Project will begin. As part of the project, the light poles along Main Street will be painted black and improved. Once painted, the City will no longer allow temporary signs on the poles. Therefore, any sign tacked, taped or affixed in some other way will be in violation and the person hanging the sign will be responsible for any damage as a result of the sign. Thank you for your cooperation.

## Splash Pad

A group of Ephraim residents has created a tax-exempt organization to raise funds for a splash pad in Ephraim. In cooperation with the City, we hope that by summer of 2013 we will have enough funds to install a splash pad at Canyon View Park. Please visit [ephraimsplashpad.blogspot.com](http://ephraimsplashpad.blogspot.com) or our Facebook page for more information. If you wish to donate, please do so at Zions Bank into the "Canyon View Splash Pad" account.
