EPHRAIM CITY HAS BEEN CHALLENGED

Snow College has challenged the entire city of Ephraim to an Ice Bucket Challenge!

A massive Ice Bucket Challenge and fundraiser will be held by Snow College in support of Kailey Ray, an Ephraim resident and Snow College student.

Kailey was diagnosed with ALS on August 15, 2014. We are coming together as a community to show our love and support for her and her family by raising funds to

help with her care. All proceeds will go to the Curtis and Tracy Ray family.

The event will be held at the Canyon View Park in Ephraim on September 8, 2014 at 6:00 pm. Please bring your own buckets. Ice and water will be provided.

T-shirts and baked goods will be available to purchase with your generous donations.

Ephraim Fire Department Needs Volunteer Firefighters

The Ephraim City Fire Department is short-handed and looking for **8 to 10 DEDICATED VOLUNTEERS** who would appreciate an opportunity to give back to the community. A mandated amount of training is

required, and much more available for those who would like to take things a bit further.

We need good people who are in town, and preferably have the ability

to respond during daytime hours.

If you are interested in this opportunity, please contact Chief Steck at 851-0424.

Granary Art Center invites you, your family and friends to join us for the artists' receptions of our current exhibitions:

Notice His American Shirt and Utah Bigfoot: Encounters Within the Unknown.

Mark your calendars for **Friday, September 12**

from 7-9 pm and enjoy an evening of art and community.

Granary Art Center is located in the historic Ephraim granary at 86 N Main Street. For more information, please visit granaryartcenter.org and find us on Facebook.

Register: Ephraim City website. Click on Athletic Registration. You must pay with a credit card. If you have any questions, please contact Phil Murray at 851-3954.
