## Gas Station Remodels

Both Maverik and Sinclair will be getting new buildings on their property this summer. Maverik has already begun to replace the current building with a larger building and more pump stations. The current building will be removed

to make room for a larger parking lot and a small outdoor picnic area.

Sinclair will build a new building, which will include a larger convenience store and parking lot. Both projects are expected to be under

construction at the same time, but both intend to stay open as long as possible during construction. At some point, each will have to shut down to complete the construction. It is possible that both gas stations could be temporarily shut down at the same time.

## Ephraim City Recreation

Ephraim and Manti Recreation Departments are offering the Jr. Templars Track and Field team again. \$10.00 discount on the second child of the same family.

This year the track meets will be held at: Fillmore, Nephi, Manti, Gunnison, Mapleton, and back to Nephi for the South Invitational Meet on June 7, 2016.

If your child would like to Participate in track & field *and* baseball or softball, it could cause a conflict between games or track meeting times.

Scam artists in the U.S. and around the world defraud millions of people each year. They use the phone, email, postal mail, and the internet to trick you into sending money or giving out personal information. Here are 10 ways to avoid fraud:

2. Know that wiring money is like sending cash.
3. Read your monthly

statements.

4. After a disaster, give to only established charities.
5. Talk to your doctor before you buy health products or special treatments.
6. Remember, there is no sure thing in investing.
7. Don't send money to someone you don't know.
8. don't agree to deposit a check and

wire money back.

9. Don't reply to messages asking for personal or financial information.
