Ephraim City Mayor

Ephraim City would like to thank Richard Squire for his wonderful service as Mayor and City Councilmember over the last ten years. Mayor Squire has represented his hometown of Ephraim admirably and has been a wonderful advocate for Ephraim City residents.

He has recently accepted a position that has taken him out of Ephraim and he will

be missed. His last official duty as Mayor was the City Council meeting on July 17th.

Ephraim City posted the open position in local media outlets to all those who have been residents of Ephraim for at least 12 months, and who are at least 18 years old.

Applications for the Mayor position were accepted through July 31st and all applicants will be interviewed at

an open meeting on Monday August 5th at 5:30 pm in the Council Chambers at City Hall. At that meeting a candidate will be selected by the City Council.

The newly appointed Mayor will begin duties immediately and finish out the remainder of Mayor Squire's term, which is about 2 and half years, and will end on December 31, 2021.
