time in the mornings and afternoons.

Call the Ephraim Police Department for more information. 283-4602.

Ephraim City is looking for available men and women who would be willing to help Ephraim Elementary school children cross the street safely.

There are several locations on the east side of town that pose safety issues for children crossing the streets alone.

Live Christmas Tree Pickup

The Ephraim Public Works Department will pick up live Christmas trees left on the curb every two to three days until January 15th.

If your tree has been out more than three days, please call our offices for pickup.

Parking on City Streets

Ephraim City reminds residents of an ordinance prohibiting parking on any city street from November 15th to March 15th during the hours of 1 am through 7 am.

City snowplow drivers cannot remove snow from your street if there are cars and

trucks parked in their way. You could be ticketed!

Please help city snowplow drivers by not parking on the streets and keeping things like basketball standards and trailers off the streets. Thank you!

Watch for the removal of the yellow tape to know when it is okay to skate. There is no charge to use the rink.

The ice skating rink is located at the Canyon View Park at 650 S. 100 E. behind the pavilion, and will be lit for evening skating until 10 pm.

If you don't have your own skates, Kate's Skates will be open when the water freezes, and is located

next to the rink. They will be open for rentals from 11 am to 9 pm on Saturdays and holidays, and from 4 to 9 pm on school days. Please call them at 435-200-4876 for pricing and other information.
