Ryan Rees with V-Dot Meats has requested a conditional use permit from Ephraim City to run a beef processing plant on property located at approximately 567 W 100 N.

The planning commission will review this request at their next meeting, scheduled for 6:00 PM on Wednesday, September 22, 2021, at the Ephraim City Hall and via zoom video conference. The zoom conference details will be posted on the Ephraim City Hall East and West facing doors as well as on the Public Notice Website 24 hours prior to the Planning Commission meeting. If the Planning Commission recommends approval of the permit to the City Council, the City Council is expected to review the application at the next scheduled City Council meeting.

In compliance with the Americans with Disabilities Act, individuals needing special accommodations (including auxiliary communicative aids and services) during these meetings should notify the city offices at least three days prior to the meeting to be attended. If you have comments or questions, please feel free to call me at (435)283-4631.

Thank you
